CHURCH

Brookside Executive Director Job Description

Organization Summary:

Brookside Community Church (BCC) is a multi-racial, multi-generational, gospel-shaped community of believers that loves God completely, ourselves correctly and our neighbors compassionately. Strategically established on the Near Eastside of Indianapolis, BCC is an urban ministry that intentionally creates community around the poorest and most disadvantaged (vulnerable) of our community. In 2015, BCC launched a church-based non-profit called Brookside Community Development Corporation (BCDC) which serves as the ministry outreach arm of the church to create opportunities of renewal and transformation in the lives of people residing in the Brookside neighborhood. The church, alongside our nonprofit, serves over 150 families in walking out life in Christ.

Job Description:

The Executive Director will provide guidance and oversight of all departments in the organization, implement strategic planning and monitor the execution of plans within the organization in conjunction with Board leadership. This position is responsible for the deployment of innovative solutions that address opportunities and challenges.

Salary Range: \$70,000 - \$90,000 annually

Required Experience/Education:

- A Christian committed to living out their faith in daily life and supportive of the mission of both Brookside Community Development Corporation and Brookside Community Church (BCC).
- Bachelor's degree in related field or equivalent combination of education and experience.
- A successful track record of managing financials and making sound business decisions.
- Knowledge of data analysis and performance/operation metrics
- Outstanding interpersonal, public speaking, organizational and leadership abilities
- Strong agility, strategic, decision-making, and problem-solving skills
- Strong mentoring/coaching skills with the capacity for managing and leading people.
- Fundraising expertise and grant writing skills.
- Be in full agreement with BCC's Mission, Vision and Values (below).
